- Metrics for system outcomes – Kristy Greenwalt provided an overview of the data and then Tania Mortensen of DHS and Tom Fredericksen of the Community Partnership walked through the 2020 performance data. There were many questions offered in the chat box, which the team then answered.
- Priorities for Partnership to End Homelessness – Kristy Greenwalt overviewed the role of the Community Foundation’s Partnership to End Homelessness (PTEH) whose goal is to unite the public and private sectors in order to achieve the goal of ending homelessness in DC. PTEH is working on their investment priorities for grants in the next few years and solicited feedback on those priorities. A survey was sent out for input but there were only two responses. Kristy provided additional context and then asked people to respond to the survey by Friday, January 30. Jennifer Olney from the Community Foundation was also part of the call to listen in.

  - Next steps on Homeward DC 2.0 – The Plan is being reviewed by the Mayor’s office so we hope it will be finalized shortly.
  - DHS staffing updates- Tania Mortensen shared that David Ross is the new Chief of Staff at DHS, replacing Larry Handerhan who is moving on to other adventures.
  - Procurement updates – Tania Mortensen shared that a provider for Ward 1 Short Term Family Housing should be announced soon. Kimberly Waller shared updates and the timeline on requests for proposals related to youth.
